EVENTS

At Prelude, we craft innovative and uniquely stunning events by bringing together elements of the day on one accord - from planning, through design, to execution.

Behind the scenes is a team of dedicated and engaged professionals that coordinate every event and experience with obsessive attention.

We work hand in hand with venues and vendors who share our obsessive passion and attention to detail.

We prioritize caring for our clients and ensuring the event is always crafted just for you.

“*magic*”

The Columbus, Georgia Convention & Trade Center was truly transformed to a winter wonderland last night for the Aflac Christmas party! This magic was because of Quian Pickett Huff and her team at Prelude Events Studio! Thank you for making the Iron Works Ballroom showcase its true beauty!
